

CONFERENCE PROGRAM

July 28, 2017, Friday

	Registration of participants	8:30-9:00 9:00-9:05
Opening of the conference Tatiana Silina /RASEUS, President / Korolev Vladimir /"Scientific Center of Endoscopic Technologies", Director/		
Introduction of invited experts Prof. Kazuo Hara /Director of Gastroenterology Department, Aichi Cancer Center, Nagoya, Japan/ Dr Nozomi Okuno /Doctor of Gastroenterology Department, Aichi Cancer Center, Nagoya, Japan/		9:05-9:15
Dr Nozomi Okuno	Organizing of endosonography in ACC (Aichi Cancer Center), Nagoya, Japan	9:15-10:15
<i>The lecture will highlight: Organization of the department, sterilization and storage of equipment; Conditions for conducting EUS (patient's consent and sedation, who determines the indications); Endosonographic team (who participates, distribution of the roles); Requirements to endosonographer (training level, required number of studies per year, training of new specialists); Interaction with morphologists and surgeons</i>		
	LIVE COURSE 	10:15-11:45
	Discussion of the clinical cases	11:45-12:00
	BREAK	12:00-13:00
Dr Nozomi Okuno	Anatomy of the pancreatobiliary area scanning with convex echoendoscope	13:00-14:00
<i>The lecture will highlight: Scanning points for pancreas; Scanning points for the bile duct and gall bladder; Scanning points for liver; Anatomy of vessels</i>		
	LIVE COURSE 	14:00-15:45
	Discussion of the clinical cases	15:45-16:00

July 29, 2017, Saturday

Prof. Kazuo Hara	EUS-guided interventions for pancreatic pathology	9:00-10:00
<i>The lecture will highlight: Aspiration biopsy for solid lesions (a technique, a choice of a needle, preparation of a specimen for morphological research); Puncture and / or drainage of fluid collections (choice between puncture and drainage, selection of instruments, follow up)</i>		
	LIVE COURSE 	10:00-11:45
	Discussion of the clinical cases	11:45-12:00
	BREAK	12:00-13:00
Prof. Kazuo Hara	Biliodigestive anastomosis	13:00-14:00
<i>The lecture will highlight: Indications; Equipment; Methodology; Possible complications; Further tactics</i>		
	LIVE COURSE 	14:00-15:30
	Discussion of the clinical cases	15:30-15:45
	Closing of the Conference	15:45-16:00
	CERTIFICATE	

VENUE

Medical Center EVIMED, Chelyabinsk, ul. Blucher 9B
